The UCBF on bidexpress.com has been updated to reflect the changes on the attached UCBF. **Failure to submit on the revised Unit Price Form shall be cause for the bid to be rejected.**

**COMMENTS & QUESTIONS:**

1. Will a pay item be added for "Manhole Cover Vent System"? It is called for on sheet number 4 of the plans but there is no pay item. In addendum number 2, it says that we should look under section 806-8 and 806-9 for measurement and payment for "Manhole Cover Vent System". Under these sections, it states that measurement and payment will be per each. There is no pay item for "Manhole Cover Vent System". Should I absorb this item under MCP Manhole rehabilitation even though it is per the VF? Or will a pay item per each be added as described in sections 806-8 and 806-9?

**The measurement and payment is described in section 806-8 and 806-9 respectively. The following pay items were added on the attached revised unit price form.**

Item No.	Description	Unit	Quantity
8068000	Manhole Cover Vent System	EA	19
8068001	Manhole Cover Vent System Extension	EA	2
