All questions must be submitted in writing, posted to CivCast, no later than 2:00 pm on Thursday, May 28, 2020.

This project includes construction of approximately 20,100 LF of 48-inch water line; 650 LF of tunnel with 66-inch I.D. tunnel liner plate; connections to existing water transmission lines; and all other improvements detailed in the construction plans and specifications. The 48-inch water line generally parallels an existing Oncor transmission line beginning at the intersection of Kreymer Lane and Brown Street and terminating at County Road 484.

Bidders must submit a cashier's check, certified check, or acceptable bidder's bond with their proposal as a guarantee that the Bidder will enter into a contract for the project with the Owner within fifteen (15) days of Notice of Award of the contract. The security must be payable to North Texas Municipal Water District in the amount of five (5%) percent of the bid submitted. Contractor must execute the contract, bonds and certificates of insurance on the forms provided in the Contract Documents.

Contractors for this Project must pay no less than the prevailing wage rates for the area established by the Owner and included in the contract documents.

Performance and Payment Bonds are required, each in an amount of not less than one-hundred percent (100%) of the contract price, conditioned upon the faithful performance of the contract and upon payment of all persons supplying labor or furnishing materials.

The North Texas Municipal Water District reserves the right to adopt the most advantageous interpretation of the bids submitted in the case of ambiguity or lack of clearness in stating proposal prices, to reject any or all bids, and/or waive formalities. Bids may not be withdrawn within sixty (60) days from date on which bids are opened.
