ANSWERS/QUESTIONS:

1. We at Flotech, are the Henry Pratt/Milliken representatives for the state and I wanted to reach out and ask a question on an upcoming project, Northwest WTP Phase 1. After reviewing the attached addendum, I would like to respectfully request the opportunity to bid the plug valves on this project. I know that our product is an absolute equal to the named manufacturer and would be honored to come in any time next week to discuss in further detail. I appreciate your time and look forward to your response.

Answer: St. Johns County accepts the Pratt plug valve as equal.

THE BID DUE DATE IS CHANGED TO: September 4, 2019 by 2:00 P.M.
