Atlanta, GA 30337

DATE: December 05, 2019

ATTN: Mr. Rufus Oladapo, President

CONTRACT: 2019 Standby Miscellaneous Construction – Wastewater System Services Renewal

PROJECT: 19S-KC21 / WO# 341940
Riverside 42" Spiral Wound Pipe Rehab
Vendor # : KEMI 112602-A

Pursuant to the 2018 Standby Miscellaneous Construction – Wastewater System Services Renewal contract, beginning December 7, 2018, and ending December 6, 2019, by and between Fulton County and Kemi Construction Company, Inc., you are hereby notified to commence referenced **WORK** (Rehabilitation of 405.00 linear feet of 42" diameter sewer main trunk line using spiral wound lining method). The duration of subject **WORK** shall be 30 calendar days beginning 01/21/2020, and completing on 2/21/2020. The cost of the WORK is not to exceed \$_____ based on the attached preliminary cost estimates revision submitted on 11/14/2019.

Please note that no work outside the scope of services shall commence without Authorization by the Fulton County Project Manager and an amended Notice to Proceed. Final Payment shall be based on actual work performed and calculated using the unit prices set forth in the contract. Payment of Work without unit prices (non-bid items) shall be based on applicable provisions of the Contract Documents.
