TRAVIS FIELD WRF**

ADDENDUM NO. 6

July 8, 2019

Question: We respectfully request the bid date for Travis Fields project be postponed for at least one week. It is currently bid on the third day of the Georgia Association of Water Professionals convention held in Savannah, which is a major conference for all vendors, engineers, owners and contractors.

Answer: The City does not plan extending this beyond the 2 weeks already granted due to interference from the 4th of July holiday. Sealed proposals for Travis Field Water Reclamation Facility (SW-524-10) will be received by the City of Savannah in the office of the Purchasing Director, second floor, Traub Room, 301 West Oglethorpe Avenue, Savannah, GA 31401, until 1:30PM EST on Tuesday, July 16, 2019. The Disadvantaged Business Enterprises Provisions will be evaluated and those bids found to be in compliance with the DBE Provisions shall be opened and read aloud at 1:30 PM on July 23, 2019. No electronic responses will be accepted.
