

ADDENDUM NUMBER 6

Date: 9/1/2020

PROJECT: 2019 WPCF Rehabilitation Academy Creek

1. Clarifications

The quote from Aqua-Aerobic Systems INC. in Appendix B of the project specifications does not include tax. Therefore, the lump sum allowance for Tertiary Disk Cloth Filter Equipment listed as item 5 on the bid form and consisting of \$1,250,000.00 shall be crossed out and amended to a value of \$1,337,000.00. The scope of supply shall also be amended to include the attached letter from Aqua-Aerobic Systems INC.

AND

EMAIL Goodwyn, Mills & Cawood, Inc. immediately at jim.vaughn@gmcnetwork.com

Conclusion

This is the end of Addendum Number 6, dated September 1,2020

AQUA-AEROBIC SYSTEMS, INC.
A Metawater Company

September 1, 2020

RE: SPECIFICATION SECTION 46 61 23 DISK CLOTH TERTIARY
FILTRATION
AASI Project ID# 115157

Aqua-Aerobic Systems' Proposal #152178 dated June 17, 2020 was transmitted and incorporated into the construction bid documents dated March 2020 for the referenced project. We are now in receipt of Addenda Numbers 1 - 5. Aqua-Aerobic Systems is in compliance with these addenda with no changes to our scope of supply.

However, Aqua-Aerobic Systems has been asked to modify proposal #152178 to include taxes. Therefore, please revise Aqua-Aerobic Systems' scope of supply and associated pricing as follows:

- 1. State and/or local taxes will be applied as follows, unless we receive a valid sales exemption certificate, direct pay permit, or other documentation required specifically by the taxing entity prior to shipment.

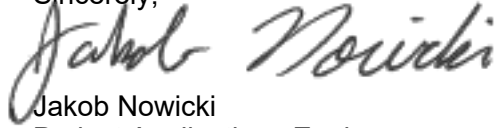

To assist you in the preparation of your bid for the referenced project, following is the detail of applicable sales tax for the site:

| | |
|-----------------------------------|----------------|
| Equipment & Freight..... | \$1,229,456.00 |
| Start-up services (tax exempt)... | \$20,544.00 |
| 7% sales tax..... | \$86,061.93 |
| Total..... | \$1,336,061.93 |

If you have any questions regarding the above information, please do not hesitate to call our local representative, listed below, or us.
